

SIXTH FORM

Thank you for your enquiry about a Sixth Form place in the School for September 2010. In addition to members of our own Fifth Form, who will be staying to take A-levels, we shall be taking in other suitably-qualified candidates to join them.

As we are a selective Grammar School, the entry will be restricted to candidates who, on the basis of academic evidence to date, are capable of taking three A-levels. We shall, therefore, require evidence of ability to pass at least six G.C.S.E's with grade 'A' or 'B' grade as evidence of the candidate's suitability for an A-level course of education. We expect all students to study for three A-levels and the pass rate is better than 95%.

Applicants will be asked :

1. to produce a recent report from their present school.
2. to produce evidence other than this, of likely performance at G.C.S.E. (This could take the form of mock G.C.S.E. results).
3. to attend an interview at the school.

On the basis of this evidence, we shall award, either an unconditional place for September, or a place which is conditional on certain G.C.S.E's being obtained.

Please fill in the appended form, (*and also the school's Application Form*) giving details of A-level courses to be taken, subsidiary subjects desired and other interests.

Those entering the Sixth Form will have the advantage of small classes, with, in most cases, a great deal of individual attention, teaching from well-qualified and experienced teachers, close pastoral care and guidance over choices for higher education and a good range of extra-curricular activities.

SIXTH FORM APPLICATION

LEICESTER GRAMMAR SCHOOL

London Road, Great Glen, Leicestershire LE8 9FL
Tel: 0116 259 1900. Fax: 0116 259 1901

(Could you please complete this form IN ADDITION to the school application form)

Name of parents _____

Address _____

Daytime telephone no. _____ Mobile telephone no. _____

Name of boy/girl _____ date of birth _____

Present School _____

My son/daughter would like to take the following FOUR subjects at AS-level :
[we consider four subjects a normal workload]

A _____
