Dear Parent/Guardian

**Young Enterprise Programme**

We should like to inform you about the opportunity for your son/daughter to participate in the Young Enterprise Programme during the Lower Sixth.

Young Enterprise has been a successful part of our Sixth Form provision for many years. It has been a popular choice of extra-curricular activity for those who wish to experience a business environment and many have found it a useful addition to their CV and UCAS personal statement as well as being a memorable and enjoyable course. Achiever training will also be made available for students taking on directorship roles within their company.

Due to recent changes in funding provided to the Young Enterprise programme, it will be necessary to charge a fee of up to £50 for participation in the programme next year. This will be added to your school account during your son/daughter's Lower Sixth year.

Attached, you will find further information about the programme.

Should your son/daughter wish to take part in Young Enterprise 2009-2010, we will require their completed application form (also attached), together with the signed slip below, in the very early part of next term, September 2009.

Should you have any queries regarding Young Enterprise, please do not hesitate to contact us.

Yours sincerely

Carl James
